Set within the prestigious gated enclave of Pepperwood, this exceptional contemporary estate offers a rare blend of architectural design and lifestyle. Spanning over 10,000 square feet, the home is thoughtfully scaled for both grand entertainment and comfortable daily living. The open-concept layout features an immense great room with vaulted, beamed ceilings and clerestory windows showcasing the stunning mountain views that can be seen throughout the house, as well as a gorgeous chef's kitchen with Bosch appliances, custom cabinetry, a butler's pantry, and a generous central island allowing for multiple gathering areas. Just off the dining is the pool, hot tub, exterior bathroom, and spacious patio allowing for seamless indoor-outdoor integration. The main floor offers a den / home office with beautiful views as well as two lavish suites with luxurious, spa-like baths; one of which features cathedral ceilings and a walk-out to the pool & patio. There's a gym and/or studio area and 5 more bedrooms, including a fun, futuristic 'bunk' room designed as crew quarters on a spaceship and a walk-out lower level with a home theatre, billiards, and second, fully equipped kitchen. The putting green adds to the outdoor entertainment and the 6 car garage accommodates your recreational toys and automobiles. This modern classic, four-season resort style home is set on a double lot of 1.59 acres and affords exceptional views and
